

## CV

### Luca Andrisani

Since founding his eponymous practice, Luca Andrisani, AIA, has designed, managed, and detailed over 40 international architecture and interior design projects for the world's leading retail, commercial, and residential clientele. With a presence in New York and one in Italy, Luca has expanded upon his experience working with the world's leading firms including the Pritzker Prize-winning team of Herzog & de Meuron in Basel, Switzerland and Rafael Viñoly and Peter Marino in the United States. His background in high-end retail design includes flagship spaces for Prada in Tokyo and Montevarchi, Italy, Louis Vuitton, Fendi, and Dior. Luca's practice encompasses a full spectrum of scales from a 300-square-foot boutique cashmere retailer and a 600-square-foot New York City penthouse to a 200,000 square foot multi-family development in Brooklyn. He brings his distinct international perspective based in collaborative material innovation and research to each project. Luca completed his Masters in Architecture at the Royal Institute in Sweden and graduated with Honors from the famed La Sapienza University in Rome. Luca Andrisani is a Registered Architect in the State of NY and Italy. He is also a Member of the American Institute of Architects (AIA) and of the Society of American Registered Architects (SARA).

### Luca Andrisani Architect

Founded in 2006 by Luca Andrisani, Luca Andrisani Architect represents a new generation of architects with an artistic interest in the craft and juxtaposition of timeless, unconventional, and cutting edge materials. The firm's conceptually designed environments balance intrigue with sustainable function and beauty. With a strong belief in listening as a guiding principle, Luca Andrisani Architect works with clients on projects of all scales and scopes to offer innovative solutions tailored to each individual project.

The firm has won numerous awards including several International Design Awards, Merit Awards by Interior Design Best of Year and was named an Emerging Architect by Architecture Record. The work of Luca Andrisani Architect has been featured in media and press venues including New York Magazine, Interior Design, Architectural Record, Metropolitan Home, Interiors, Interni, Daily News, Design & Display Ideas, DLux, Aspire and the Architect Newspaper.
